

February Newsletter ~ The Month of Valentines

What have we got for you? For this month only, to make you feel gorgeous, tingly & tasty **10% off KISSING CREAM AND BODY SCRUB !**

Did you know that skin is our body's largest Organ & that *whatever we put on it is absorbed into our bloodstream*? Ingredients for our featured products this month are

natural AND beneficial . Flynn's Unscented Lip Balm comes in a handy pocket-sized 15g pot and is made of smoothing Beeswax, antibacterial Honey & moisturising Olive Oil; we add Peppermint Oil to the other one for a fresh taste, & both are **NOW £1.80**. Flynn's Body Scrub contains simply Beeswax, Olive Oil and Honey, with Sea Salt for cleansing & exfoliation; a pot of 100g is **NOW £5.40**. Just like most of Flynn's toiletries & creams, there are no nasty chemicals, petroleum, or lanolin (as used by many other manufacturers).

The unscented Lip Balm and Body Scrub are part of our "Garden Of England" Unscented Range. Made here with the gentlest natural ingredients and no perfume nor essential oils, they suit people who *do not want perfume on their skin* and are helpful for people and children with very dry skin.

NEWS & EVENTS

Our new website is being constantly updated and will feature the history of Flynn's Bee Farm, press articles and new research data on our products. Pay us a visit on www.flynnbeefarm.co.uk where you can also browse & buy online, review your past shopping and even take a "Virtual" guided tour of our farm with Chris & Sudi (pictured left).

PAMPERED CHEF COOKING SHOW WITH HONEY

Tuesday 15th in Flynn's Tea Room 12-230 pm. (Ticket Only, booking advised)

A fundraiser for the Medway & North Kent Bee Breeders Association who have an important breeding site here. Entrance is by ticket only, just **£200** including your seat, a hot drink, tasting and recipes! Featuring a demonstration of high quality innovative kitchen products so you can try before you buy.

To book your place call us on [01795 874935](tel:01795 874935) as we have limited spaces.

BEES' SNIPPET As we had a few "warmer" days in January The Bees have broken cluster and on brighter days can be seen outside their hives. They are embarking on cleansing flights, and building up wing muscles for the busy times ahead when trees and flowers produce pollen for them to gather. The Bees activity indicates that **NOW is the time to begin taking pollen**, either by itself or in Royal Honey or Hay Fever Honey if you are a sufferer.

CLOCKS GO FORWARD

March 27th British Summer Time Begins

Summertime on Flynn's Bee Farms means that its not just the bees who work longer hours, their keepers must too!

From March 27th our open hours will change thus:
